Sermon: Knowledge Is Key - Deception Series – Week 3

Scripture Ephesians 6, Rev 6

Main Message: Only knowledge and foresight can guard us against deception, which means putting on the full armor of God.

This week I am going to put up some slides on the screen to help us navigate through the message. In one sense this may have been best to do the first week, but I like it on week 3 because it will help having discussed different types of deception.

This is not a fun message. It is bad in that it can make one feel like the whole world is filled with lies and deception. Well, it is, and the prince of this world, also known as the devil, is doing what he can with those who know nothing of God nor want to. They are slaves to him and we are the chosen of God to be here at this time. Don't make light of that. You are encouraged to do spiritual warfare.

Lets remember that our Faith and Believe answers the Why question better than anything else. Lots of RELIGIONS will try to tell you about the "how" but Christian faith is able to answer the "why" and that is important.

Let's begin.
